## Large scale plots of the UK's highest yielding wheat varieties

*KWS are the dominant wheat and barley breeder in the UK. Maximising yield is the main objective in wheat and KWS have all the top yielding varieties for this autumn.*

### KWS Santiago

The highest yielding wheat available

### **NEW** KWS Kielder

Second only in yield to Santiago and likely to be top after this year

### **NEW** Leeds

The highest yielding soft wheat - top spec weight

### Conqueror

The highest yielding variety on light land

### **NEW** KWS Croft

The highest yielding biscuit wheat

***Come and meet the KWS team at Wynnstay's Open Day & see large scale plots of all these top yielding varieties and more.***

***Refreshments available***
